Rt. 12, Frederick, Md. 21701

Dear Mr. Anderson,

Thank you for your letter of 10/1, the enclosures and the courtesy of the stamped, return-addressed envelope.

Some months ago I suffered acute thrombophlebitis in both legs. This has been very limiting. It means that I must stick to the work on which I am started, with no other work or interests possible.

But I do thank you.

Sincerely,

Harold Weisberg
